Consent to Obtain Credit

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned hereby:

1. Authorizes the Creditor to check credit and business history and to obtain credit and personal information from credit reporting agencies, credit bureaus and others.

2. Authorizes the Creditor to share such information with credit reporting agencies, credit bureaus and any person, corporation, firm or enterprise necessary to obtain collection of this account.
3. Consents and agrees that a consumer, personal or credit report on the undersigned may be requested from a credit reporting agency or other sources.
4. Applicant understands and agrees to Net 30 Terms.
5. This credit application and account terms therein are assignable and transferable to heirs, successors and individuals.
6. The undersigned agrees and represents they are an authorized owner, officer or representative of the business applying for credit and personally guarantees this account set up to transact business with Lil Pickle, Inc. Undersigned agrees in the event of account default, any and all steps necessary to collect on outstanding or delinquent account will be transacted in, and governed by the State of Minnesota, Dakota County.
